

RECORD COUNCIL TAX BILLS SERVICES CUT AGAIN

Just where is our council tax money going

Shepway Council recycling blunder

£1 MILLION

Conservative-run Shepway Council have wasted nearly £1MILLION so far on the council's recycling scheme.

While Shepway's residents have recycled in record numbers, Council blunders have ended up costing a fortune.

A brand new fleet of lorries had to be disposed to council incompetence.

But it's local residents, not Conservative Council leaders that end up paying the bill.

What the Conservatives didn't want you to see - a fleet of recycling lorries hidden away at the council's depot.

● Conservative waste means local street lights go unrepaired. When will this end, ask local Lib Dem campaigners Tom McNiece, Cllr Lynne Beaumont and Darren Briddock?

Latest County Council re-organisation

£17.7 MILLION

Conservative-run Kent County Council decided to reorganise it's Highways Department to SAVE money.

So far, the scheme has cost an incredible £17.7 MILLION!

This disaster has left roads, pavements and streetlights unrepaired locally.

Once again, it's local residents who suffer for council incompetence.

SHEPWAY DISTRICT COUNCIL

Our invisible £1 MILLION new sports centres

● Cllr Lynne Beaumont, Cllr Neil Matthews, Cllr Denise Maskell and Cllr Tim Prater at Hythe Swimming Pool - will Shepway get the new sports facilities local people deserve?

Without a brick being laid, Conservative run Shepway Council has already spent £1MILLION on the new sports centres.

Most of this money has gone to outside consultants.

Many fear that Folkestone or Hythe Sport Centres will never be built - leaving our area desperately short of local facilities.

How can Conservative Council Leaders justify this failure to control costs to local taxpayers?

STOP THE WASTE!

We need a council that will put local services first and stop the waste of OUR MONEY.

Both Shepway and Kent County Council's have failed to deliver under the Conservatives.

Local Lib Dem campaigners believe that the Council needs real change to end years of chaos.

Lib Dem campaigner Toby Philpott said, "Local people deserve safe, clean streets. We need to protect our vital open spaces and improve recycling."

"Above all, we must deliver value for money and end the chaos at the council."
