### Emily sets the pace in local election race

Just weeks after the General Election, local people are set to go to the polls again to elect a new town councillor. More and more local people are saying that they will be backing local campaigner Emily Sanger to be our new Councillor.

Emily has lived in Folkestone all her life and is a Governor at a local school. Emily is working closely with popular District Cllr Tessa Caruana to help improve our part of Folkestone.

Emily Sanger said, "I am proud to live in Folkestone and want to make it a better place to live for all local residents. If elected to the Council, I pledge to work hard for local people all year round."

In a surprising move, the Conservatives have selected a candidate who lives in Hawkinge.

### Peter says thank you...

Local Lib Dem Peter Carroll says "thank you" to the many local people who backed him in the recent General Election.

Peter said, "I have been amazed and touched by some of the warm messages of support I have received from local people since the election. I would like to send my heartfelt thanks to the many Harbour residents that backed my campaign."

### ...and please back Emily on Thursday

Peter Carroll is also urging local people to back Emily Sanger to be their new town councillor on Thursday.

He said, "Emily has a great track record of campaigning for local people. She will make an excellent Councillor for Harbour Ward."

## Cleaning up our area

Lib Dem campaigners Emily Sanger and Cllr Tessa Caruana are working to tackle local eyesores and litter problems.

Local Lib Dems have been strong backers of the East Cliff Project (see right). Much overgrown vegetation and rubbish has been removed to clear footpaths and improve the look of the area.

If you know of a local eyesore or litter problem in our area, please contact Emily and Tessa.

## Action on crime

Local Lib Dems led by Emily Sanger and Cllr Tessa Caruana are working hard to make our area safer.

The Lib Dems have helped many people tackle problems of anti-social behaviour in their street.

As our new Councillor Emily will work hard to get more police on patrol and improve use of CCTV to make our area safer.

## Tackling pot holes

Cllr Tessa Caruana and Emily Sanger are working to improve local roads and pavements.

The Conservative run County Council have allowed many local roads and pavements to fall into a poor state of repair (see left in Segrave Road). Emily and Tessa are working to make things better.

If you know of a pavement or road problem, please contact us.

## Safer roads

Local Lib Dems are working to make our roads safer for all residents.

Top priority is getting the County Council to introduce 20mph zones around local schools. They also want the police and the Council to do more to tackle speeding traffic in our residential streets.

If you know of speeding problems in our area, please contact Cllr Tessa Caruana or Emily Sanger on 01303 245624.

## Emily's 4 pledges to YOU

- I will work hard for you and stay in touch all year round as your local Town Councillor.
- I will fight to improve our town for all local residents.
- I will work to make local voices heard in the Council chamber.
- I will put the needs and wishes of local people before politics. I am your Councillor first, a Lib Dem second.
