

Sam Matthews - the best choice for our new Councillor

Lib Dem Sam Matthews has got people talking in the Hythe North by-election that goes to the polls on 26th January.

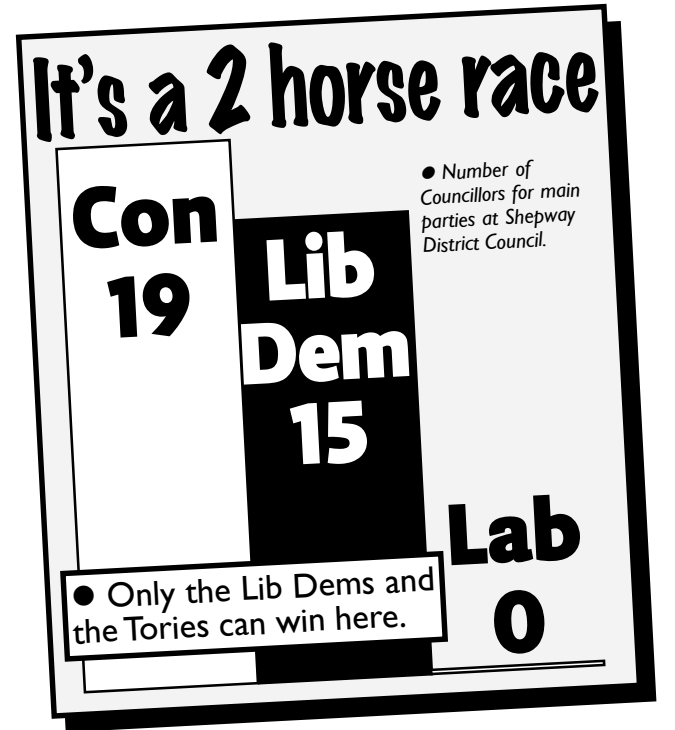

More and more people are saying that local campaigner Sam is the best choice to be our new Councillor, to really speak up for local people.

As our Councillor Sam will stand up for all residents, regardless of party politics.

Sam will put local people first.

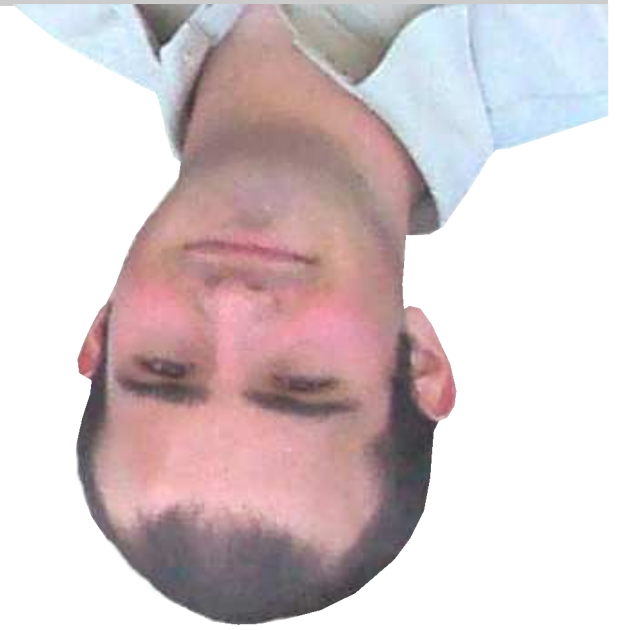

● Local Lib Dem campaigners Peter Carroll and Sam Matthews work hard for local people all year round.

Help make Sam our new Councillor on Thursday

Tackle the problems with rubbish and recycling

Many people have told Sam of the problems they have had with the Conservative Council's introduction of the new rubbish and recycling scheme. In some cases recycling wasn't collected and sat on the streets for days.

As our local Councillor, Sam Matthews will work with residents and the local Council to sort out the problems.

We need a LOCAL Councillor

● Sam Matthews is the **ONLY** candidate in this election who lives in our ward.

Local residents are being asked to choose a new Councillor for our area on January 26th.

The election has only two candidates - local resident Sam Matthews, or a Conservative from outside our ward.

Lib Dem Sam Matthews said "Living in Hythe North means that I experience the problems local people face at first hand."

Sam has a track record of energetic campaigning for local people. He was instrumental in reinstating the Learner Pool in the plans for a new Sports Centre for Hythe.

Only a vote for Sam Matthews will elect a hard-working local Councillor who will put our area first.

Action to crack down on crime and vandalism

Local residents say that they rarely see a police officer on patrol in their street. Yet problems of anti-social behaviour in particular are on the rise.

Local people have the right to feel safe in their homes.

As our local Councillor, Sam Matthews will fight to get a stronger police presence in our residential streets in Hythe North, to make our streets safer for local people.

● Sam Matthews knows how important it is for local people to feel safe, both in their homes and in the town. That's why he is campaigning for more Police on the beat.

Making sure local people can be proud of our town

Hythe is a wonderful place to live, and many visitors come to our town each year.

Sam Matthews and the local Lib Dems have been concerned to hear about new Conservative proposals to raise the charges in car parks across Shepway.

This new rise comes after the prices for a swim in Hythe have been raised, and may be raised even further by the Conservative Council soon.

As our local Councillor, Sam Matthews will fight to get the best for local people and our town.

● Sam Matthews with Hythe Councillor Denise Maskell on a clear-up of one of Hythe's beaches. Sam wants to keep our town looking its best for residents and visitors alike.
