## NO Poll Cards NO Postal Votes: Just Turn Up to Vote

The poll on Thursday will ask you to vote "yes" or "no" to the following question:

**"Sandgate Council made a decision on 11th March 2008 and changed from a Parish administration to that of a Town administration.**

**"Do you want the Council to reverse this decision?"**

**No polling cards will be issued** and voting will be in person only.

Newly elected Sandgate Councillor Season Prater welcomed the poll, saying:

**"In common with many local people I will be voting YES - for the Council to reverse its decision.**

**"I firmly believe we should have a Parish administration, and that we have no need for a Mayor.**

**"Having Town status gives us no more powers - except that we have a Mayor. Many places spend thousands on having a Mayor: we don't need that here.**

"I was pleased that Sandgate Council passed a motion this week that confirms that the Council will abide immediately with the result of the referendum this Thursday.

"There will be an extraordinary meeting held next Tuesday to ratify the decision.

**"It's now up to local residents to have their say this Thursday. Let's give a big YES!"**

• **Lib Dem Cllr Season Prater will be voting YES to change the Council back to a Parish administration.**

Poll results will be available on-line as soon as possible after the declaration of the result at [www.shepwaylibdems.org.uk](http://www.shepwaylibdems.org.uk)
